- Suitable for professional users
- Can hold up to 160 kg

Technical data

Suitable for a variety of staircase designs

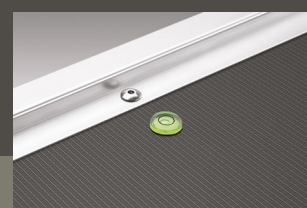

9850-101

4007126237620

Quick-lock, telescopic rails and feet allow for flexible adjustment in length and height depending on the step height and depth.

The built-in spirit level allows the platform to be erected in a precise horizontal position.

TP Plus can be used as a work platform or as a base for all Hailo folding steps and stepladders.
